The supplier is to be responsible for submitting the Federal tax report, paying the taxes, and submitting for refund. For bid comparisons, use March 22, 2023 rack prices in your bid. A copy of the bill of lading showing where purchased and a rack price printout showing rack price paid is required with each purchase of gasoline or diesel upon request. At the end of each month, a list will be provided to the County Auditor, consisting of location, delivery date, invoice number, product, gallons, and price for fuel delivered during the month.

Material safety data sheets must be provided during this contract.
