

# NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.69158 per \$100 valuation has been proposed by the governing body of Red River County.

PROPOSED TAX RATE	\$0.69158 per \$100
NO-NEW-REVENUE TAX RATE	\$0.66354 per \$100
VOTER-APPROVAL TAX RATE	\$0.69158 per \$100

The no-new-revenue tax rate is the tax rate for the 2025 tax year that will raise the same amount of property tax revenue for Red River County from the same properties in both the 2024 tax year and the 2025 tax year.

The voter-approval rate is the highest tax rate that Red River County may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that Red River County is proposing to increase property taxes for the 2025 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON August 26, 2025 AT 8:45 AT Red River County Annex.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, Red River County is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Red River County of Red River County at their offices or by attending the public hearing mentioned above.

**YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:**
